UCIrvine Procurement Services

Supplier Showcase Bren Events Center September 10, 2025

Welcome to the 2025 Supplier Showcase!

Thank You to Our Suppliers

We extend our deepest appreciation to all the suppliers participating in this year's Supplier Showcase. Your partnership strengthens UC Irvine's mission by providing the products, services, and expertise that help our campus thrive.

About Procurement Services

UC Irvine Procurement Services is committed to building meaningful relationships with our suppliers while ensuring responsible stewardship of university resources. Our team works every day to connect campus departments with innovative solutions, streamlined processes, and suppliers who share our values of collaboration, service, and continuous improvement.

Supporting Small Businesses

We believe in the power of small businesses to drive innovation, create local impact, and expand opportunity. UCI is proud to prioritize working with certified small and diverse businesses, and we are on track to meet and exceed our goal of 25% small business spend. By partnering with these suppliers, departments across campus contribute directly to advancing equity and economic growth.

Fully Onboarded & Ready to Support You

Every supplier in this brochure has been fully onboarded into PaymentWorks, making it easier than ever for departments to source from them. In addition, all certified small businesses featured here are listed on our <u>Certified Small Business Directory</u>, ensuring you can find and engage them quickly for your purchasing needs.

bluespace's Yorba Linda Showroom

bluespace interiors recently celebrated the grand opening of our newly updated showroom, and we are thrilled to share the space with clients, partners, and community members.

Our showroom transformation turned a closed-off, outdated space into a modern, open environment that supports collaboration, showcases our furniture solutions, and welcomes guests. With firsthand insight into our needs, we led the project from evaluation to installation, creating a flexible, functional layout that reflects our brand and capabilities.

Today, the showroom serves as both a productive workspace for our team and an immersive experience for visitors to see our solutions in action.

First Aid Solutions

Injuries and emergencies can happen at any time. From basic first aid kits to advanced emergency supplies and training, we offer comprehensive solutions to support safety and keep your team protected.

Emergency Preparedness

In busy campus environments, preparedness saves lives. Having essential emergency tools, like fully stocked first aid and bleed control kits, ensures faculty, staff, and students can respond quickly and effectively.

High Traffic Zones

Student and faculty spaces like research labs, student centers, and dining halls require extra attention to safety. Proactive measures and the right equipment help ensure the well-being of everyone on campus.

On-the-Go Safety

For campus shuttles and university buses, having ready-to-go safety kits on board means drivers and staff have the supplies they need without having to find a local building with emergency kits
